What is ANSWER Scholarship?

MISSION

ANSWER Scholarship's mission is to mentor and prepare mothers of school-age children to achieve a college education and inspire them to be role models of academic, personal, and professional success for their children.

PROGRAM

ANSWER Scholarship is more than just financial assistance for college tuition. ANSWER's "Mentors For Mom" program is essential to scholar success. Scholars are partnered with a volunteer mentor and convene at monthly workshops. Our graduates say the program has been essential in helping them stay the course to complete their college degrees.

RESULTS

In April 2025, ANSWER awarded 25 scholarships, totaling just over \$97,625. ANSWER Scholarship maintains a 91% graduation rate. This compares to the national average of only 46% for non-traditional students.

In May 2025, ANSWER celebrated 13 graduates in the 2024/2025 academic year bringing the total number of graduates to 108.

Since 2006, ANSWER Scholarship has awarded \$921,502 to 153 scholars.
